"Flag of Truce."

The story of two brothers, the older one being drafted for the Civil war, his brother who has been heretofore considered a no good sort of a fellow takes his place. The villain, jealous of the older brother's wife, conceals the lie that Jim has deserted and so Tom must go to war after all. The play is filled with dramatic climaxes and tells a beautiful story. Miss Summerlin will be seen in a role entirely different from others she has played here. Messrs. DeRoame and Morton will be seen as the brothers.

WED WITHOUT KNOWING NAME

COUPLE TRYING TO GET MARRIED IN PHOENIX HAVE HARD TIME MAKING THEMSELVES UNDERSTOOD.

PHOENIX, August 18.—It took two interpreters this morning to inform Cupid Kirkland, clerk of the probate court that David Chicago wanted to marry an Indian maid whose name he did not know.

In all their love-making, Chicago, who is but 20 years old, never learned the name of his sweetheart, other than that he thinks it is "Mabel." He did not know her age, but said he thought he could find someone who did.

To get this meager information, Kirkland had English translated into Spanish and Spanish into Pima in order that the father of Chicago might tell what he knew.

Chicago lives at Blackwater, and the dusky bells of his choice makes her home at Lebi. This afternoon the tangle was straightened out and the license issued.

When the stomach, heart or kidney nerves get weak, then these organs always fail. Don't drug the stomach nor stimulate the heart or kidneys. That is simply a makeshift. Get a prescription known to druggists everywhere as Dr. Shoop's Restorative. The Restorative is prepared expressly for these weak inside nerves. Strengthen these nerves, build them up with Dr. Shoop's Restorative—tablets or liquid—and see how quickly help will come. Sold by Palace and Globe Pharmacies.

While Kennedy's Laxative Cough Syrup is especially recommended for children, it is, of course, just as good for adults. Children like to take it because it tastes nearly as good as maple sugar. Its laxative principle drives the cold from the system by a gentle, natural, yet copious action of the bowels. Sold by Hanna's Drug Store, 228 Broad street.

TAFT ALREADY HAS FULLY STATED POSITION

SAYS HE NOW CAN ONLY TAKE UP MORE FULLY ISSUES DISCUSSED.

Will Address Visiting Delegations at Cincinnati According to Interest and Character of Sections They Represent—Organizing College League.

HOT SPRINGS, August 18.—

Discussing today the character of the speeches he would make during the campaign. Judge Taft said he believed he had placed himself on record in a speech he had already made on every question likely to become important in the campaign. "But," he added, "that will not, I take it, preclude me from taking up any subject and enlarging upon it in speeches I shall make to the various delegations who may come to Cincinnati during the campaign. My subjects will be chosen with particular reference to interest and character particular to the delegation to whom I speak. In this way it is possible that I shall review many of the important and minor issues, but I have laid out no set plan for taking up in any particular order any question or set of questions." There was a conference today between John Hays Hammond, Herbert M. Myers of Columbus, Ohio, attorney, and president of the Ohio Republican College League. A general plan of co-operation was discussed. "It is our intention," said Myers, "to organize republican clubs in every college and university in the country. We expect to reach 25,000 first voters this campaign."

NEWLANDS SEEKS ELECTION BY PEOPLE

ASKS OPPONENT TO JOIN HIM IN PLACING NAME ON TICKET.

County Conventions To Be Asked to Pledge Legislative Candidates in Advance to Vote for Senatorial Candidate Successful at Polls.

RENO, August 18.—United States Senator Newlands has addressed an open letter to his opponent, Patrick L. Flanagan, republican, asking that both candidates place their names upon the official ballot at the next general election and seek the office at the hands of the people of the state. Senator Flanagan seeks the endorsement of the republican convention, and Newlands of the democratic convention.

If Flanagan agrees to the plan proposed, the county conventions will be asked to pledge the legislative candidates in advance to vote for the senatorial candidate which shall win in their respective counties.

PIONEER OF 1846 CROSSES DIVIDE

CHARLES O. BROWN HAD LIVED IN ARIZONA FOR SIXTY-TWO YEARS AND NARROWLY ESCAPED DEATH FROM INDIANS.

YUMA, August 18.—One of Arizona's most picturesque pioneers and one of Yuma's very earliest settlers crossed the great divide at Tucson Thursday night when Charles O. Brown died. Astonishing as it may sound, Mr. Brown had lived in Arizona for sixty-two years and had arrived at Yuma as long ago as 1846. At that time Arizona and New Mexico were a part of Mexico, the Gadsden treaty not having been negotiated. Although but a stripling, he had seen much of frontier life, having left his home in Whitehall, Ill., to which the family had removed from New York when he was a boy of 12.

He was in the employ of the Mexican government and was sent to Fort Yuma in 1846 in company with Captain Glanton. At the time there was a considerable settlement at Yuma, and the town possessed an organized force of defenders and a stockade. Shortly after arriving, Mr. Brown, with Glanton, established the first ferry across the river. Travel along the southern trail into California was rushing in 1849-50, and the ferryman prospered greatly. In 1850, there were rumors of an Indian uprising. Mr. Brown headed the warning and obtained permission to go to San Diego. A short time after he left, the Yumas and Cocopahs murdered every white man in the settlement save one, who chanced to be down the river. Of the funds accumulated, Mr. Brown took with him a large amount in silver, but a jar containing \$30,000 in gold was buried along the river bank and is supposed not to have been recovered to this day.

FATHER, MOTHER AND BABE LOCKED UP FOR BURGLARY

Whole Family in Jail for Taking Fifty Dollars in Clothing From Congress Home.

Deputy Sheriff John Merritt arrived home last night from Congress, having in custody Mr. and Mrs. H. S. Hall and baby. The Halls are bound over to appear before the next grand jury under \$100 bonds each to answer to the charge of robbing Mrs. Frank Kirkland of Congress of clothing and other material valued at \$50. The woman and baby were lodged in the woman's ward of the county jail, while Hall was incarcerated in the main jail last night.

Chronic Diarrhoea Cured

"My father has for years been troubled with chronic diarrhoea, and tried every means possible to effect a cure, without avail," writes John H. Zirkle of Philippi, W. Va. "He saw Chamberlain's Colic, Cholera and Diarrhoea Remedy advertised in the Philippi Republican and decided to try it. The result is one bottle cured him and he has not suffered with the disease for eighteen months. Before taking this remedy he was a constant sufferer. He is now sound and well, and although sixty years old, can do as much work as a young man." Sold by all druggists.

The Trouble.

The trouble with the Gatti Meat company's meat is that they can't hold it long enough for the flies to get to it.

August time tells on the nerves. But that spiritless, no ambition feeling can be easily and quickly altered by taking what is known by druggists everywhere as Dr. Shoop's Restorative. Within forty-eight hours after beginning to use the Restorative, improvements will be noticed. Of course, full health will not immediately return. The gain, however, will surely follow. And best of all, you will realize and feel your strength and ambition as it is returning. Outside influences depress first the "inside nerves" then the stomach, heart and kidneys will usually fail. Strengthen these failing nerves with Dr. Shoop's Restorative and see how quickly health will be yours again. Sold by Palace and Globe Pharmacies.
